Dear Parents / Carers

Year 2 - End of year arrangements!

We are writing to you to share our planned celebrations to mark the end of year 2.

We will be having an end of year activity day on Friday 9th July. However, I must confirm that we are unable to allow the children to sleep over at school. At the moment we envisage a full day of activities in school that will finish in the evening. A separate letter will be sent out including an itinerary of activities.

On the final day of year 2 (Friday 16th July 2021) we will be having an end of year graduation. The exact structure and format of the event will depend on the prevalence of the Delta variant. Should we be able to have a full graduation we will require social distancing by parents including masks. To enable parents to book time off work we anticipate the graduation will take place at approximately 2.30pm. This will be confirmed nearer to the date.

We hope this letter has answered the questions that many of you will have had. As you are all aware we are responding to updates from Government and the Department for Education. The timings of these announcements is data driven and as such hampers advanced planning. No matter what the data says we will do our best to make the end of Year 2 and the children's time at BLIS as memorable as possible.

We thank you for your continued support.

Yours sincerely

A Moorcroft
