Dear Parents / Carers

Nursery Update

We are writing to update you regarding the end of year arrangements for Nursery. Unfortunately, Mrs Swan will not be returning to school this academic year. Mrs Taylor will be continuing with us until the end of the year. We understand that many of you have been worried about Mrs Swan and we would like to reassure you that although unwell she is hoping to return to school in September.

Nursery will be welcoming Mrs White an experienced Senior Early Years Educator to the team from Monday 21st June. I am sure you will join me in making her feel welcome. Mrs White is very excited about joining our Nursery and getting to know you and your children.

As a school we are aware that there have been many changes to staffing in Nursery over the last two terms due to illness and Covid. We have tried our best to maintain consistency, however this has been challenging.

We will be inviting parents in to school on a 1:1 basis (ensuring social distancing is in place) during the week commencing Monday 5th July to talk about your child's progress. These meetings will give you an opportunity to review some of your child's learning as well as to discuss any issues with key staff.

For those of you who are moving into Reception in September a separate letter will be sent detailing the transfer arrangements. For the parents of Rising 3s who will be staying with Nursery, we will also be sharing details of the key dates and timings with you.

Thank you for your continued support.

Yours sincerely

A Moorcroft
