Date: Thursday, 01 April 2021

Dear Parents/Carers,

Level 1 Bikeability Training for Year 2 Pupils:

After Easter we are delighted to offer Bikeability training for some Year 2 pupils. This is a 2 hour course for up to 10 Year 2 pupils who can **confidently** ride a bike unaided.

Courses will be run on Friday 23rd April and Friday 7th May, with likely timing being from 9.15am to 11.15am. Pupils need to have their own bicycle (in roadworthy condition) and cycling helmets are strongly recommended.

This training teaches basic cycle control skills in a safe environment away from traffic on our own school playground. **Children need to be able to ride their bike unaided before attending the course.**

Training takes place outside in all weather and so children should be dressed appropriately for the weather with warm, waterproof clothing and gloves. We therefore recommend bringing a change of clothes and shoes for after the course in case of wet weather.

Spaces are extremely limited. If you would like your child to participate, please complete the slip below and return to your class teacher as early as possible during the first week after Easter. If your child has been successful in gaining a place we will let you know by text.

Yours sincerely

Mrs A Jones
PE coordinator

Child's Name:

Class:

I would like my child to attend the Bikeability course. I confirm they can confidently ride their bike unaided and have a helmet.
