Dear Parents/Carers,

As you are aware we have our fantastic Library Bus which we use to inspire and encourage our children's love of reading.

Unfortunately, due to Covid 19 restrictions we have been unable to use it this academic year. We would like to get it back up and running, with safety measures in place, and are currently looking for some volunteers (parents, carers, grandparents etc) to help and support us with the running of this. We would like volunteers in the afternoons to help children choose and put away reading books, scan them into our system and keep the bus tidy. Training on how to use our scanning system will be given.

If you are interested in volunteering in any capacity, whether it is just for one afternoon each week or possibly more then please let your class teacher know or e-mail [admin2598@welearn365.com](mailto:admin2598@welearn365.com). To ensure this works smoothly we will need people who are able to commit on a regular basis.

Please note that our school is committed to safeguarding and all our volunteers will need to have DBS checks carried out.

Many thanks in advance

Becky Stretton  
English Coordinator
