Date: 7<sup>th</sup> September 2020

Dear Parents/Carers

Welcome to Boughton Leigh Infant School, it was lovely to see all the smiling faces this morning. The children have settled well and are enjoying being with their new classmates. It is great for school to have its lively buzz back!

Thank you for your co-operation this morning during drop off, we are currently reviewing our systems to ensure they run smoothly, now that the school site is busier. To help us with this please could you try to make sure only one adult accompanies your child to school.

It will be a little while before fruit is available at school so until then, please feel free to send in a piece of fruit each day for a break time snack (grapes to be cut in half lengthways).

If you or your child are displaying any symptoms associated with Covid-19, the main ones are, a high temperature, a new continuous cough, a loss or change to your sense of smell or taste then please book a test as soon as possible, stay at home and do not have visitors until you get the test results. We request that you contact school immediately to enable us to initiate the track and trace procedure.

We do have places available at Oasis, our before and after school club, please visit the main school office to collect registration forms.

We are currently reviewing our extra-curricular provision and further details will follow.

We thank you for your support and look forward to working in partnership with you throughout this year.

Yours sincerely

Andrew Moorcroft  
Head Teacher
