Dear Parents/Carers

Welcome back to school, it was lovely to see all the smiling faces this morning, despite the weather. The children have settled well and are enjoying the benefits of being back with their friends. It is great for school to have its lively buzz back!

Thank you for your co-operation this morning during drop off, we will continue to monitor our systems to ensure they run smoothly as the school site gets busier. To help us with this please could we try to make sure only one adult accompanies their child to school.

Our attendance today is 98.6%, this is fantastic!

It will be a little while before fruit is available at school so until then, please feel free to send in a piece of fruit each day for a break time snack (grapes to be cut in half lengthways).

If you or your child are displaying any symptoms associated with Covid-19, the main ones are: a high temperature, a new continuous cough, a loss or change to your sense of smell or taste then please book a test as soon as possible, stay at home and do not have visitors until you get the test results. We request that you contact school immediately to enable us to initiate the track and trace procedure.

We are currently reviewing our extra-curricular provision and further details will follow.

We thank you for your continued support over the last six months and look forward to working in partnership with you throughout this year.

Yours sincerely

Andrew Moorcroft
Head Teacher
