Business Manager: Mrs. W Griffiths

Date: Monday 4th March 2019

Dear Parent/Carer,

This year's British Science Week theme is 'journeys'. Boughton Leigh Infant School will be taking a journey to space with The Black Hole Mobile Planetarium which will be visiting us at school on Wednesday 27th March 2019. Children will be learning about 'Earth and Space' which covers the nature of our Sun and stars, solar system bodies, day and night, years, distances and the phases of the Moon.

On this occasion we are asking parents for a £2 voluntary contribution per child to help towards the cost of this exciting day.

Yours sincerely

Mrs Simons
Science co-ordinator

Science Week
