

Welcome

Back to School

Welcome back to a new school year! We are pleased to welcome all children and families to the start of an exciting year of learning and growth. It has been a delight to see all of the children in school today following the summer holidays.

As we begin the year, please remember to review school communications, ensure that your child's emergency contacts are up to date and familiarise yourself with a few key reminders listed below. Together we look forward to a successful school year.

The School Day

Our school day begins at **8:45am** and finishes at **3:15pm**.

The school gates will be open at 8:40am for drop-off and 3:10pm for collection.

Children arriving after 9am will be marked as late and will need to enter via the school office.

One Way System

The one way system remains in place and we politely request all visitors on site adhere to this.

Entrance to the playground is via the gate located between the school field and children's centre. The exit remains the lower gate by the car park.

Thank-you for your support with this.

Allergies

Polite reminder that we are a **nut-free school**.

If your child has an allergy and you have not notified the school office, please do so asap.
