March 2025

Dear Families,

As we step into the lively month of April, we have some exciting events to look forward to!

We will be celebrating Easter with a special Easter Service in school, where the children will reflect on this important time of year through songs, readings, and prayers. As part of the celebrations, we are also holding an Easter Bonnet Competition, and we can't wait to see the children's creative and colorful designs!

Looking ahead, the children have been busy practicing for our traditional Maypole Dancing, a wonderful way to welcome the season. We are also preparing for our much-anticipated Sports Day in May, where we will enjoy a fun-filled day of races, games, and team spirit.

A big thank you to everyone who took part in Red Nose Day—your support and generosity helped us raise funds for a great cause while spreading lots of smiles and laughter.

Finally, we would like to send our warmest wishes to all our families celebrating Eid. We hope you have a joyous and blessed time with your loved ones.

Thank you for your continued support—we look forward to celebrating these special moments together!

On Tuesday 8th April we will be having our Easter Service in school for all the children.

On this day we will also be having an Easter Bonnet competition that we would love as many children as possible to get involved in.

On the day the children will have the opportunity to parade in their bonnet where a winner will be selected from each year group. Each winner will receive an Easter Egg prize!

Sports Day

Our planned date for Sports Day is **Tuesday 6th May**.

Details of the team your child is in will be sent out following the Easter break.

Please note, we will be reliant on good/dry weather in order for this to take place.

Save the date!

We are delighted to be able to invite parents into school to see the children's Maypole Dancing.

Each year group will be performing on the following dates:

Monday 19th May - Year 1
Tuesday 20th May - Year 2
Thursday 22nd May - Reception

Further details of timings will be sent out shortly.

Outdoor Play

The children continue to enjoy our Outdoor Play and Learning and we have been able to see a positive development on the types of play used when outside.

As the weather gets warmer we would like to develop the use of the field by having available large loose parts for the children to play with.

If you have any of the following that you are able to donate to school, please pass them on to your child's class teacher or ask to speak with Miss Smelt:

- 
- Fabric (large sheets/brightly coloured fabric)
 - Shower curtains/tarpaulin
 - Wooden Pallets
 - Cable Drums
 - Guttering
 - Noodles (the type you use in the swimming pool!)
 - Fancy Dress
