We are thinking about where animals live and which animals hibernate.

We are talking about the changes that we can see in the natural world around us such as falling leaves, changing colours, finding conkers and acorns on the ground.

We are exploring colour mixing to create Autumn leaves and pictures using appropriate colours.

We are developing an understanding of different cultures and faiths in our community, by sharing and celebrating practices and special events. We will retell the story of Christmas through our own Christmas Concert.
